

Coffee Cup Wrap

By Debi Schmitz

Materials

- 1 Kunin CraftCut 9" x 12" ClassicFelt™ in Cocoa Brown
- 1 black hair elastic band
- ¼ yard natural braid trim
- 1" wooden button

Tools & Notions

Pins, Scissors, Sewing Machine, Dark Brown Thread, Permanent Fabric Glue (I use Fabri Tac Glue or other permanent glue that doesn't seep into the fabric.)

Instructions

1. Cut out the pattern piece. Fold the piece of felt in half lengthwise, pin the pattern piece to the felt and cut out 2 pieces of Cocoa Brown felt.
2. Glue ½ of the elastic hair band in between the two layers of felt as shown on the pattern.
3. Glue the braid to the front of the wrap on the same end as the elastic band as shown. Let dry. Trim off the ends of the braid as needed.
4. Pin the layers of the wrap together with matching edges and sew a ¼" seam allowance around the outside edge.
5. Put the wrap around a commercial coffee cup and mark the button placement with a pin. Stitch the button in place.
