By Debra Quartermain

## Materials

- 14" x 28" piece of Princess Heart FanciFelt™
- 1 Kunin CraftCut 9" x 12" ClassicFelt™ in Black
- 1-12" pillow form

## Tools & Notions

Pins, Scissors, Needles, Iron, Sewing Machine, Permanent Fabric Glue (I use Fabri Tac Glue or other permanent glue that doesn't seep into the fabric.)

## Instructions

1. For X cut two strips of 2" x 12" black felt. For O cut 2" off bottom of black piece of felt. Fold in half. Cut curve piece off of the outside two corners.
2. Draw a curved center for O keeping the width 2". Cut out center along lines.
3. Measure 12 1/2" in center of FanciFelt™ strip for pillow front. Finger press along both lines. Center and pin X and O on the right side of pillow fronts. Place a small amount of fabric glue down center of X and O to hold in place. Top stitch around the X and O.
4. With right side down fold ends of FanciFelt™ piece over each other along finger pressed fold. Sew a 1/2" seam along each side.
5. Turn pillow right side out and insert form.
6. If you are gluing only, follow directions as given and glue X and O completely to pillow front. Allow seams to dry thoroughly before turning.
