## INSTRUCTIONS:

*\*Enlarge pattern on copy machine 150%. Trace patterns on wrong side of Plush Felt. Sew 1/4" seams unless specified otherwise. Back stitch all seams. When attaching features, hold in position, carefully lift half at a time, apply glue to wrong side 1/4" from edge, press in place, glue opposite side in same manner.*

**NOTE:** RSO = right sides out  
RSF = right sides facing

**STEP 1:** Fold White Plush in half, RSO. (8 1/2" x 13"). Cut out face and set aside. Cut a 5" x 18" strip off the edge of the Black Plush for features and set aside. Fold remainder in half, (9" x 13") and cut along folded edge making two halves for back of head. Cut two 12" pieces of black moiré ribbon, sew one along cut edge on right side of one half, and one on wrong side of opposite half with seam 1/8" from each edge of ribbon (Fig. a). Sew one strip of Velcro centered on each ribbon.

**STEP 2:** With furry sides facing up, overlap and close Velcro strip on back sections of head aligning top and bottom edges. Center and pin front on back with RSF. Sew around edge (Fig. b). Trim excess even with front edge. Clip curves, turn RSO. Insert hand in pillow, push open ears and smooth seams.

**STEP 3:** Fold 5" Black Plush strip in half. Cut out eyes, nose and ears (or cut from Black Rainbow Felt). Cut heart shaped cheeks from Baby Pink Rainbow Felt, cut mouth from Black Rainbow Felt. Glue features on face, RSO. Glue on wiggle eyes. Cut pink ribbon in half, tie each into a 3" shoestring bow, glue centered on bottom edge of each ear, glue roses centered on bows.
