## Materials

- 2 Kunin CraftCut 9" x 12" ClassicFelt™ in Royal Blue
- 1 Kunin CraftCut 9" x 12" ClassicFelt™ in Orange
- ¼ yard white ribbon, 1½" wide
- ¼ yard fusible fleece interfacing
- 1 button, 1"
- 1 hair elastic band

## Tools & Notions

Iron, Scissors, Sewing Machine, White Thread, Royal Blue Thread

## Instructions

1. Iron fleece to the backs of both royal blue 9"x12".
2. Cut two 9" piece of white ribbon and two 9" x ¾" rectangle of orange felt. Center the orange strip on the white ribbon and sew.
3. Cut a 1-1/2" square from each bottom corner of interfaced bag body. *Figure A*
4. Position the ribbon strip on the front, 2" from the bottom, of both interfaced body pieces and tack in place.
5. With right sides of bag body together, sew the sides and bottom together. *Figure A*
6. With right sides still facing, take the hair elastic and pinch it to form two loops (making sure one loop is approximately 1"). Using a zigzag stitch, sew to the top back panel 1/4" from the edge, going over your stitches a few times to secure it. *Figure B*
7. To box bottom corners, match each side seam of bag body with the bottom seam; stitch across resulting straight edge. *Figure C*
8. Turn bag body right side out and hand-stitch button to front of bag.
