Instructions

1. **Straps** – Cut a strip of Baby Blue felt 4" x 44". Press fabric in half lengthwise. Open fabric up and press each outside edge to the center. Fold fabric in half and press. Stitch down each side of strap close to the edge. Cut fabric in half so you have two straps about 22" long each. (Figure A)
2. Cut two 13½" x 14" rectangles from Royal Blue felt, and two of the same size from Baby Blue felt.
3. Sew Baby Blue felt rectangles together on the two longer sides and one of the shorter sides. Do the same for the Royal Blue rectangles. (Figure B)
4. Pinch bottom corner of Baby Blue pouch together and stitch across 1½" inches from corner. Repeat with other corner. (Figure C)
5. Pinch bottom corner of Royal Blue pouch together and stitch across 1½" inches from corner. Repeat with other corner. (Figure C)
6. Place Baby Blue pouch inside the Royal Blue pouch, right sides together.
7. Place straps in between right sides of felt on each side about 2"-3" from the side edge. (Figure D)
8. Pins straps and top edge of bag well. Stitch around top of bag ½" from edge. Leave a 2"-3" opening for turning bag (leaving this opening on the side of the bag is easier).
9. Turn bag inside out.
10. Push Baby Blue lining inside the bag and stitch all the way around the top of bag. This will close up the opening used for turning.
