Tools & Notions

Pinking Shears, Scissors, 4" circle template, 5" circle template, 6" circle template, Ruler, Sewing Machine, Grey Thread, Permanent Fabric Glue (I use Fabri Tac Glue or other permanent glue that doesn't seep into the fabric.)

Instructions

1. Cut five 4", 5" and 6" circles with pinking shears. Cut ribbon piece in half.
2. Each flower is comprised of three stacked circles. For each flower sew in 1" from edge of the smallest 4" circle. Pull stitches tight and secure. Stack a 5" and 6" circle. Sew in 2" from the 6" circle edge through both circles. Pull stitches tight and secure.
3. Glue smallest gathered circle to center of gathered larger circles. Glue brad or pearl to center of flower. Repeat for all five flowers.
4. Arrange flowers on top of piece of paper in a curved shape overlapping edges by ½" to 1". Take pencil and draw around outer edge of flowers for backing pattern. Remove flowers and draw 1" in from drawn shape. Cut out pattern. Cut pattern from felt.
5. Arrange flowers on felt back piece. Remove flowers and trim back piece again if needed. Glue flowers on back piece beginning with center flower.
6. Glue a ribbon end to each end of the back piece. Hold the flower bib up to see where else it needs gluing to lay flat.
