

Valentine Caterpillar

By Debra Quartermain

Materials

- 1 Kunin CraftCut 9" x 12" Twinkle Heart FanciFelt™ in Black
- 1 Kunin CraftCut 9" x 12" Random Dot FanciFelt™ in White
- 1 Kunin CraftCut 9" x 12" Random Dot FanciFelt™ in Red
- 1 Kunin CraftCut 9" x 12" Midnight Swirl FanciFelt™ in Red
- 1 Kunin CraftCut 9" x 12" ClassicFelt™ in White
- 2 wiggle eyes
- 1 white pipe cleaner

Instructions

1. Cut 2" by 9" strips from each of the craft cuts. You will have enough strips to make approximately three caterpillars.
2. From one heart strip cut out three hearts for nose and antenna. Cut a 2" x 2" and ½" x 2" piece from a red swirl strip. Round corners of rectangle.
3. At center of one white strip, glue eyes and heart nose for face. Poke two small holes 1" above eyes. Insert chenille stem through one hole and up through second hole. Twist ends of chenille stems and glue on hearts.
4. Pinch center of bow rectangle and wrap small piece around center. Glue at back. Glue bow below antennae. Glue the ends of this face piece into a circle.
5. Insert a strip through the first one and glue ends together. Repeat until the caterpillar is done. If it is a really long caterpillar, sections can be glued and then added together.

Tools & Notions

Scissors, Ruler, Permanent Fabric Glue (I use Fabri Tac Glue or other permanent glue that doesn't seep into the fabric.)
