

Wild Child Phone Sleeve

By Debra Quartermain

Materials

- 1 Kunin CraftCut 9" x 12" Zebra FanciFelt™ in White
- 1 Kunin CraftCut 9" x 12" Zebra FanciFelt™ in Shocking Pink
- Stick-on or sew-on crystals
- 1 black button

Tools & Notions

Scissors, Ruler, Sewing Machine, Pink Thread, Needle, Permanent Fabric Glue (I use Fabri Tac Glue or other permanent glue that doesn't seep into the fabric.)

Instructions

1. Cut each piece of felt in half, 6" x 9". Cut from white zebra a 2" x 5" piece for strap.
2. Place both pieces of felt right sides together. With a ¼" seam sew around all four sides leaving a 2" opening on one side.
3. Clip corners; turn right side out and finger press. Turn opening in even with seam line, topstitch across this end.
4. Fold piece in half. Topstitch on two sides leaving top open. Add crystals along seam.
5. Fold strap piece ⅝" under on opposite long sides. Topstitch down center. Sew button to one end.
6. Glue or sew strap centered 1" down from back edge.
7. Bring strap to front, glue or sew one half hook and loop to back of strap. Glue remaining half to sleeve front.
8. Embellish with crystals.

Alternate method:

For gluing or hand sewing omit Step 1. For gluing, glue pieces wrong sides together. For hand stitching place wrong sides together, decorative stitch top edge. Finish following remaining steps gluing or hand stitching instead of topstitching.
